Veterinary Technology - Exotic Animal Interest
$500 Scholarship

Veterinary Technicians are essential team members in every veterinary practice. Oxbow understands the need for highly-trained and qualified veterinary technicians, especially in exotic animal medicine.

Oxbow’s Veterinary Technology Scholarship is intended for students who show a strong interest in pursuing a career in small and exotic animal medicine. Scholarship funds will only be awarded to support education at U.S. based institutions.

To Qualify:

• Complete the application available online at oxbowanimalhealth.com/the-oxbow-way/education/academic-scholarships
• Submit a résumé describing activities and job history
• Provide one letter of reference
• Provide proof of full time enrollment in an accredited veterinary technology program for the 2019 Fall Semester
• Provide a transcript copy and current GPA
• Provide a 300-500 word essay explaining why you want to work in the exotic animal field

Applications must be postmarked by March 2, 2019

• Scholarship recipients will be announced May 1, 2019
• Scholarships are paid directly to the school in September.

Submit Complete Applications to:
