

# Academic Scholarship Program

Oxbow knows that the lifelong pursuit of education is the hallmark of current and future veterinary leaders. We are proud to support the educational pursuits of students interested in careers with a focus on exotic animal medicine as well as veterinary professionals looking to expand their knowledge base to best support their exotic animal patients and clients. Our annual scholarship program provides funding to current and aspiring professionals in the areas of veterinary medicine and supporting fields. Scholarship funds are currently only available to support U.S. based programs/opportunities.

## NEBRASKA HIGH SCHOOL SCHOLARSHIP - \$1,000

The companion animal (pet) industry is expanding rapidly all around the world. Career opportunities in animal health, animal nutrition, marketing, publishing, and pet food manufacturing are increasing every year. Oxbow's Nebraska High School Senior Scholarship is for graduating high school seniors with a strong interest in pursuing a career in the companion animal industry. (1 scholarship rewarded)

## VETERINARY TECHNOLOGY SCHOLARSHIP - \$500

Veterinary Technicians are essential team members in every veterinary practice. Oxbow understands the need for highly-trained and qualified veterinary technicians, especially in exotic animal medicine. Oxbow's Veterinary Technology Scholarship is intended for students who show a strong interest in pursuing a career in small and exotic animal medicine. (2 scholarships awarded)

### KEY DATES:

- Applications must be postmarked by March 1, 2022
- Scholarship recipients will be announced May 2022
- Student scholarships are paid directly to the school in September

## UNDERGRADUATE SCHOLARSHIP - \$1,000

The companion animal (pet) industry is expanding rapidly all around the world. Career opportunities in animal health, animal nutrition, marketing, publishing, and pet food manufacturing are increasing every year. Oxbow's Undergraduate Scholarship is for students currently enrolled in a college or university who have demonstrated a career interest in companion animals. (1 scholarship awarded).

## VETERINARY MEDICINE SCHOLARSHIP - \$2,000

Non-traditional animal species are becoming more popular as pets throughout the world. There is a greater need for veterinarians who specialize in care and nutrition of these exotic pets. Oxbow's Veterinary Medicine Scholarship is for students currently enrolled in a veterinary school and demonstrate an interest in small and exotic animal medicine. (1 scholarship awarded)

## NEW FOR 2022: CONTINUING EDUCATION SCHOLARSHIPS

As the science and standards of practice continue to develop within exotic animal medicine, veterinary professionals need continuing education to stay abreast of the most recent advancements in the field and provide the best care for their patients. Oxbow provides scholarship opportunities to attend Oxbow's Exotic Companion Mammal Symposia held in locations throughout the U.S. (3 scholarships awarded per event)
